

“Ode to Malibu”

Summer rocks
At Malibu Beach Camp

Sun is hot
But we're cool on our fine strand

Time of our lives
Everything is at our hands

'Cause Summer rocks
At Malibu Beach Camp

So throw your fists in the air
(In the air)
Jump up and down
Show your flare
(Show your flare)
Life's a beach
Don't you know it? Don't you know it?
And we will never, ever, ever out grow it!

Peace signs upside down
MBC has got the crown
Number 1 on the sand
Best beach camp in all the land

Hey-Ho sing it loud
Malibu, cause we are proud
North, south, east, or west
Summer here just is the best!!!!

Peace signs upside down
MBC has got the crown
Number 1 on the sand
Best beach camp in all the land
So throw your fists in the air
(In the air)

Jump up and down
Show your flare
(Show your flare)

Life's a beach
Don't you know it? Don't you know it?
And we will never, ever, ever out grow it!

Summer rocks
At Malibu Beach Camp

The MACHO Song

Sung to the tune of "Macho Man" by The Village People

MACHO
We've all got the power
MACHO
Gotta live it louder
MACHO
This whole world is ours
MACHO
Find your MACHO Powers

Everybody should be MACHO, MACHO, Yeah!
My Actions Can Help Others
Show You Care!
Just a bit of good will
Can go go go
Start a tidal wave and
Watch it grow
Just a little kindness can travel oh so far,
Just a bit of MACHO can change who we all are

Hey, hey, hey, hey, hey, hey

MACHO MACHO Kid
I've gotta be a MACHO Kid
MACHO MACHO Kid
I've gotta be MACHO

MACHO MACHO Kid
I've gotta be a MACHO Kid
MACHO MACHO Kid
I've gotta be MACHO

MACHO
We can make things better
MACHO
We should all remember
MACHO
Gotta do it louder
MACHO
We've got MACHO power

Everybody should be MACHO, MACHO, Yeah!
My Actions Can Help Others
Show You Care!
Just a bit of good will
Can go go go
Start a tidal wave and
Watch it grow
Just a little kindness can travel oh so far,
Just a bit of MACHO can change who we all are

Hey, hey, hey, hey, hey, hey

MACHO MACHO Kid
I've gotta be a MACHO Kid
MACHO MACHO Kid
I've gotta be MACHO

MACHO MACHO Kid
I've gotta be a MACHO Kid
MACHO MACHO Kid
I've gotta be MACHO
